

MegAleX™

Foliar Nutrient

3-0-0

No Phosphate Fertilizer

Guaranteed Analysis

Total Nitrogen (N)..... 3.0%
3.0% Urea nitrogen

Derived from urea.

General Information

MEGALEX is designed for professional use only on turf, ornamentals and horticultural crops to help promote rapid greening and robust growth.

Rate Recommendations

Turf (such as athletic fields, greens, tees, and fairways): Apply only to actively growing turf. Use 3-9 fl oz per 1,000 sq ft or 1-3 gal per acre [10-30 L per hectare] in sufficient water for thorough coverage. Initiate spraying prior to seasonal stress cycles. Apply at least twice monthly and allow at least 6 hours before/after irrigation event for maximum benefits.

Ornamental and Horticultural (such as flowering ornamentals, landscaping, evergreens, shrubs, trees, and palms, including those grown in nurseries and greenhouses): Mix a 1-2% use solution (2.5-5 tbsps per gal of water or 1-2 gal per 100 gal [1-2 L per 100 L]) and spray foliage to drip. For best results, apply on a regular schedule every other week.

Optimum rate of application will vary depending on soil properties (such as pH, organic matter content, texture), weather conditions, time of year, general plant species and health. For best results, follow soil/tissue test recommendation.

Mixing and Handling Instructions

Apply in 2-2.5 gal of water per 1,000 sq ft or 88-110 gal of water per acre [800-1,000 L of water per hectare]. Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application. Spray within 8 hours of mixing.

Precautionary Statements: Based on currently available data, this product is not classified as a hazardous substance. However, observe good industrial hygiene practices. **First Aid:** Wash hands after handling.

Storage and Disposal: Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store away from incompatible materials. Dispose of waste and residues in accordance with local authority requirements.

LIMITED WARRANTY: Brandt iHammer ("BIH") warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. BIH and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product. To the extent allowed by law, BIH and the Seller shall not be liable to the Buyer or User of this Product for any consequential, special, incidental or indirect damages.
